

ISIM & ISWIM - PARTICIPATION GUIDE

Authors / Students

This guide is designed for authors and students who wish to attend the conference physically or online with a scientific paper.

Step 1: Create an account

To begin, visit <https://isimconference.eu>, click "SUBMISSION & REGISTRATION" and then click the "REGISTER" button. If you already have an account from previous years, simply click "LOGIN".

Submission and registration

To register for ISIM&ISWIM 2026, take the following steps:

1. Register here, using an username and a password for your account:

2. The platform will send you an email with an action link for your account that you have to click.

3. Login using your username and a password:

4. Submit your extended abstract.

5. (optionally) Submit the full version of your paper to enter the evaluation process for the WoS indexed international journal you selected.

Step 2: Navigate to My Area

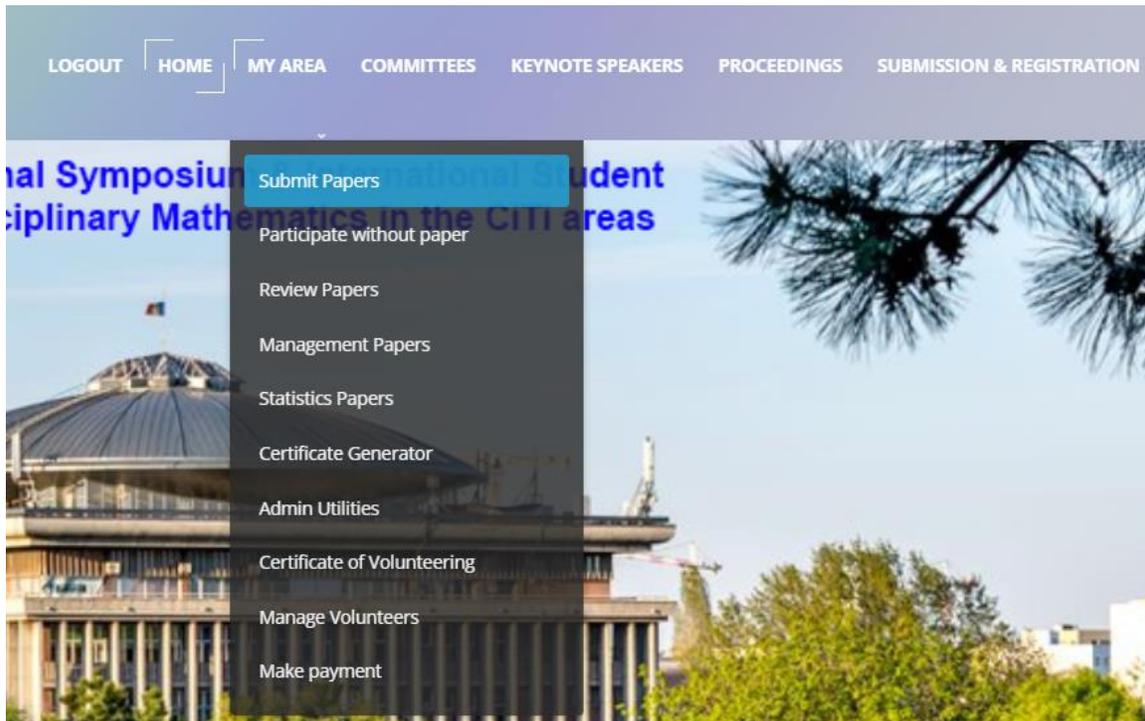

Once logged in, click on the "My Area" button in the main menu. This is your personal dashboard for the conference.

Step 3: Submit paper

Scroll down to the bottom of the "My Area" page and click on the blue button labeled: **"Submit papers"**

Step 4: Paper details

After you click "Submit Papers" from the menu, you will be redirected to <https://isimconference.eu/index.php/my-area/my-area-papers> page where you will see all your papers in the section "My Papers". Click the first button called "SUBMIT A NEW PAPER".

Welcome, ISIM Symposium!

Workflow to submit a new paper:

1. Author submits the abstract first (from My Area->Submit Papers -> click on 'SUBMIT A NEW PAPER').
2. Author fills-in the abstract submission form (the abstract file will be generated automatically).
3. Section coordinator assigns the abstract to a reviewer for evaluation.
4. After evaluation, the Reviewer accepts or refuses the abstract.
5. If you are STUDENT, the participation on the conference is free, but if there is an accompanying person the tax is 100 RON (20 EUR) for each person -> My Area->Make Payment. If there is no accompanying person, after the abstract is accepted go to My Area->Make Payment and confirm the FREE registration.
6. AFTER the abstract is accepted, the author will be able to upload the FULL PAPER (see document [Template_extended_abstract.docx](#)) from MyArea->Submit Papers -> click on 'UPLOAD FULL PAPER' and upload the paper file.
